- Schedule

Preliminary

To the purchaser:

The purpose of a statement under section 7 of the *Land and Business (Sale and Conveyancing) Act 1994* is to put you on notice of certain particulars concerning the land to be acquired.

If you intend to carry out building work on the land, change the use of the land or divide the land, you should make further inquiries to determine whether this will be permitted. For example, building work may not be permitted on land not connected to a sewerage system or common drainage scheme if the land is near a watercourse, dam, bore or the River Murray and Lakes.

The *Aboriginal Heritage Act 1988* protects any Aboriginal site or object on the land. Details of any such site or object may be sought from the "traditional owners" as defined in that Act.

If you desire additional information, it is up to you to make further inquiries as appropriate.

Instructions to the vendor for completing this statement:

means the Part, Division, particulars or item may not be applicable.

If it is applicable, ensure the box is ticked and complete the Part, Division, particulars or item.

If it is not applicable, ensure the box is empty or strike out the Part, Division, particulars or item. Alternatively, the Part, Division, particulars or item may be omitted, but not in the case of an item or heading in the table of particulars in Division 1 of the Schedule that is required by the instructions at the head of that table to be retained as part of this statement.

* means strike out or omit the option that is not applicable.

All questions must be answered with a YES or NO (inserted in the place indicated by a rectangle or square brackets below or to the side of the question).

If there is insufficient space to provide any particulars required, continue on attachments.

Part B - Purchaser's cooling-off rights and proceeding with the purchase

To the purchaser:

Right to cool-off (section 5)

1 - Right to cool-off and restrictions on that right

You may notify the vendor of your intention not to be bound by the contract for the sale of the land UNLESS -

- (a) you purchased by auction; or
- (b) you purchased on the same day as you, or some person on your behalf, bid at the auction of the land; or
- (c) you have, before signing the contract, received independent advice from a legal practitioner and the legal practitioner has signed a certificate in the prescribed form as to the giving of that advice; or
- (d) you are a body corporate and the land is not residential land; or
- (e) the contract is made by the exercise of an option to purchase not less than 5 clear business days after the grant of the option and not less than 2 clear business days after service of this form; or
- (f) the sale is by tender and the contract is made not less than 5 clear business days after the day fixed for the closing of tenders and not less than 2 clear business days after service of this form; or
- (g) the contract also provides for the sale of a business that is not a small business.

2 - Time for service

The cooling-off notice must be served -

- (a) if this form is served on you before the making of the contract - before the end of the second clear business day after the day on which the contract was made; or
- (b) if this form is served on you after the making of the contract - before the end of the second clear business day from the day on which this form is served.

However, if this form is not served on you at least 2 clear business days before the time at which settlement takes place, the cooling-off notice may be served at any time before settlement.

3 - Form of cooling-off notice

The cooling-off notice must be in writing and must be signed by you.

4 - Methods of service

The cooling-off notice must be -

- (a) given to the vendor personally; or
- (b) posted by registered post to the vendor at the following address:

 (being the vendor's last known address); or
- (c) transmitted by fax or email to the following fax number or email address:

(being a number or address provided to you by the vendor for the purpose of service of the notice); or

- (d) left for the vendor's agent (with a person apparently responsible to the agent) at, or posted by registered post to the agent at, the following address:

(being *the agent's address for service under the *Land Agents Act 1994* / ~~an address nominated by the agent to you for the purpose of service of the notice~~);

Note - Section 5(3) of the *Land and Business (Sale and Conveyancing) Act 1994* places the onus of proving the giving of the cooling-off notice on the purchaser. It is therefore strongly recommended that -

- (a) if you intend to serve the notice by leaving it for the vendor's agent at the agent's address for service or an address nominated by the agent, you obtain an acknowledgment of service of the notice in writing;
- (b) if you intend to serve the notice by fax or email, you obtain a record of the transmission of the fax or email.

5 - Effect of service

If you serve such cooling-off notice on the vendor, the contract will be taken to have been rescinded at the time when the notice was served. You are then entitled to the return of any money you paid under the contract other than -

- (a) the amount of any deposit paid if the deposit did not exceed \$100; or
- (b) an amount paid for an option to purchase the land.

Proceeding with the purchase

If you wish to proceed with the purchase -

- (a) it is strongly recommended that you take steps to make sure your interest in the property is adequately insured against loss or damage; and
- (b) pay particular attention to the provisions in the contract as to time of settlement - it is essential that the necessary arrangements are made to complete the purchase by the agreed date - if you do not do so, you may be in breach of the contract; and
- (c) you are entitled to retain the solicitor or registered conveyancer of your choice.

- The Code is the cornerstone of South Australia's new planning system, and is the single source of planning policy for assessing development applications across the State. The purpose of this is to make the planning process quicker, simpler and more equitable than ever before, affording South Australians greater access to planning information that is consistent and clear. This in turn will help the community to navigate the planning system when building a house, developing a business, or progressing large commercial developments. The Code has now replaced all South Australian Development Plans.**

Notices

Notices are printed under arrangement with organisations having some potential interest in the subject land. You should contact the identified party for further details.

Electricity and Telecommunications Infrastructure - Building Restrictions and Statutory Easements (including those related to gas, water and sewage)

Building restrictions

It is an offence under section 86 of the *Electricity Act 1996* to erect a building or structure within a prescribed distance of aerial or underground powerlines. In some, but not all, cases approval may be obtained from the Technical Regulator. Generally, however, land owners must not build, or alter a building or structure, with the result that any part of the resulting building or structure is within the minimum clearance distance required from certain types of powerlines. These building limitations are set out in the *Electricity (General) Regulations 2012* regulations 81 and 82. Purchasers intending to redevelop the property to be purchased should therefore be aware that the restrictions under the *Electricity Act* and *Regulations* may affect how, or if, they are able to redevelop the property.

In addition, if a building or structure is erected in proximity to a powerline of an electricity entity in contravention of the *Electricity Act*, the entity may seek a court order:

- a) requiring the person to take specified action to remove or modify the building or structure within a specified period;
- b) for compensation from the person for loss or damage suffered in consequence of the contravention; and/or
- c) for costs reasonably incurred by the entity in relocating the powerline or carrying out other work.

Contact the Office of the Technical Regulator in DEM on 8226 5500 for further details.

Statutory easements

Statutory easements for purposes such as (and without limitation) electricity, telecommunications, gas, water and sewage, may also exist, but may not be registered or defined on the title for the land.

Separate from the above building restrictions, South Australia's electricity supply and transmission businesses have statutory easements over land where part of the electricity distribution or transmission system was on, above or under the land as at particular dates specified by legislation.

This notice does not necessarily imply that any statutory or other easement exists.

However, where in existence, statutory easements may provide these organisations and businesses (identified in the relevant legislation) with the right of entry, at any reasonable time, to operate, repair, examine, replace, modify or maintain their equipment, to bring any vehicles or equipment on the land for these purposes, and to install, operate and carry out work on any pipelines, electricity or telecommunications cables or equipment that may be incorporated in, or attached to, their equipment (For example, see Clause 2 of Schedule 1 of the *Electricity Corporations (Restructuring and Disposal) Act 1999*; section 48A of the *Electricity Act 1996*).

For further clarification on these matters, please contact the relevant organisations or businesses, such as SA Power Networks' Easements Branch on telephone 8404 5897 or 8404 5894.

If you intend to excavate, develop or subdivide land, it is suggested that you first lodge a 'Dial Before you Dig' enquiry. Dial Before You Dig is a free referral service that provides information on the location of underground infrastructure. Using the Dial Before you Dig service (<https://1100.com.au>) may mitigate the risk of injury or expense resulting from inadvertent interference with, damage to, or requirement to relocate infrastructure.

Land Tax Act 1936 and Regulations thereunder

Agents should note that the current owner will remain liable for any additional charge accruing due before the date of this certificate which may be assessed on the land and also that the purchaser is only protected in respect of the tax for the financial year for which this certificate is issued. If the change of ownership will not occur on or before the 30th June, another certificate should be sought in respect of the next financial year or requests for certificate should not be made until after 30th June.

Animal and Plant Control (Agriculture Protection and other purposes) Act 1986 and Regulations

Agents should note that this legislation imposes a responsibility on a landholder to control and keep controlled proclaimed plants and particular classes of animals on a property.

Information should be obtained from:

- The vendor about the known presence of proclaimed plants or animals on the property including details which the vendor can obtain from records held by the local animal and plant control board
- The local animal and plant control board or the Animal and Plant Control Commission on the policies and priorities relating to the control of any serious proclaimed plants or animals in the area where the property is located.

Landscape South Australia 2019

Buyers information notice

Land and Business (Sale and Conveyancing) Act 1994 section 13A

Land and Business (Sale and Conveyancing) Regulations 2010 regulation 17

Before you buy a home there are a number of things that you should investigate and consider. Though it may not be obvious at the time, there could be matters that may affect your enjoyment of the property, the safety of people on the property or the value of the property.

The following questions may help you to identify if a property is appropriate to purchase. In many cases the questions relate to a variety of laws and standards. These laws and standards change over time, so it is important to seek the most up to date information. Various government agencies can provide up to date and relevant information on many of these questions. To find out more, Consumer and Business Services recommends that you check the website: www.cbs.sa.gov.au

Consider having a professional building inspection done before proceeding with a purchase. A building inspection will help you answer some of the questions below.

The questions have been categorised under the headings **Safety**, **Enjoyment** and **Value**, but all of the issues are relevant to each heading.

Safety

- Is there **asbestos** in any of the buildings or elsewhere on the property eg sheds and fences?

- Has fill been used on the site? Is the soil contaminated by **chemical residues** or waste?
- Does the property use **cooling towers** or manufactured warm water systems? If so, what are the maintenance requirements?

Enjoyment

- Does the property have any **stormwater** problems?
- Is the property in a **flood prone** area? Is the property prone to coastal flooding?
- Does the property have an on-site **wastewater treatment facility** such as a septic tank installed? If so, what are the maintenance requirements? Is it compliant?

- Are there any **significant** trees on the property?
- Is this property a unit on **strata or community title**? What could this mean for you? Is this property on strata or community title? Do you understand the restrictions of use and the financial obligations of ownership? Will you have to pay a previous owner's debt or the cost of planned improvements?
- Is the property close to a hotel, restaurant or other venue with entertainment consent for live music? Is the property close to any industrial or commercial activity, a busy road or airport etc that may result in the generation of **noise** or the **emission of materials or odours** into the air?

Bidders Guide

Guide to the sale of residential property by auction

Land and Business (Sale and Conveyancing) Act 1994 section 24I and section 24J(1)(f)

Under the Act, the real estate agent responsible for this auction must provide each person registered on the bidders register with this guide.

Who needs to register?

Any person who intends to bid at an auction for residential property must register.

Registering for an auction does not mean you must bid. Registering simply gives you the right to bid. You can register with the agent at any time before the auction, such as when you inspect the property, or on the day of the auction.

If you are bidding to buy the property jointly, for example, with a spouse or partner, only one person needs to register, however, only that person will be able to bid at the auction.

If you are bidding on behalf of another person you will need to provide that person's name and present a copy of a document signed by that person that authorises you to bid on their behalf.

Proof of identity

To register, you must show the agent one of the following*:

- a current document or card issued to you from a Commonwealth, State, Territory or local government authority (e.g. passport, driver's licence, or pension/health concession card, council or water rates notice)
- a document or card issued to you from a utility company (e.g. an electricity supply company)
- a document or card issued to you by a bank (e.g. visa card)
- a passport issued to you by a foreign government.

*you do not need to leave the document with the agent or allow them to make a copy

If you are bidding on behalf of another person, you must also provide a copy of one of the documents listed above that has been issued to that person.

It is against the law to provide false information for entry onto the bidders register.

What happens at registration?

Once you have registered, the agent will provide you with a unique identifier (comprising a number, letter, colour or some other identifying feature). Each time you make a bid you must display this unique identifier.

What if I arrive at the auction late?

Once an auction has commenced, the agent may interrupt the auction to allow you to register. It is up to the agent to determine whether or not to stop the auction to allow you to register. If you are entered on the register you may bid at the auction.

Prescribed standard conditions for auction of residential property

Apart from any conditions of auction that the agent also displays at the auction, the following prescribed standard conditions will apply to all auctions of residential land:

- (a) any person may bid in the auction in person, or by their proxy or representative, subject to the conditions of auction;
- (b) the vendor's reserve price will be as recorded in the auction record;
- (c) to make a bid a person must be registered in the bidders register, having satisfied the requirements as to proof of identity and, if applicable, authority to bid as a proxy or representative;
- (d) the auctioneer will only accept a bid if the person making the bid displays a unique identifier (comprising a number, letter, colour, or some other identifying feature) allocated to the person by the auctioneer
- (e) the auctioneer will, when accepting a bid, audibly announce the unique identifier so displayed by the bidder;
- (f) the auctioneer may refuse a bid if of the opinion that it is not in the best interests of the vendor, and will not be obliged to give any reason for refusing a bid;
- (g) the auctioneer may make bids on behalf of the vendor but not more than 3 such bids and only for amounts below the reserve price; any such bid will be audibly announced by the auctioneer as a "vendor's bid";
- (h) bidding increments will be accepted at the discretion of the auctioneer;
- (i) the person accepted by the auctioneer as having made the highest bid at or above the reserve price will be the purchaser and that bid will be the purchase price;
- (j) the auctioneer will not accept a bid made after the fall of the auctioneer's hammer;
- (k) unless otherwise agreed in writing by the purchaser and the vendor before the commencement of the auction—
 - (i) a contract for the sale of the property, in the form displayed by the auctioneer at the auction, will be completed and signed by or on behalf of the purchaser and the vendor immediately after the fall of the hammer; and
 - (ii) the purchaser will pay a deposit immediately after the fall of the hammer, as specified in the conditions of auction*;
- (l) the auctioneer will have irrevocable authority, after the fall of the auctioneer's hammer, to complete and sign the contract on behalf of the purchaser or the vendor, or both; completion and signing under that authority will be at the auctioneer's discretion in the event of breach by the purchaser of any of the conditions of auction;
- (m) the cooling-off rights under section 5 of the Land and Business (Sale and Conveyancing) Act 1994 do not apply to a sale by auction or a sale on the day of auction to a person who has made a bid in the auction (whether in person or by their proxy or representative).

*NOTE: Conditions of auction includes conditions displayed by the auctioneer at the auction as conditions of the auction, together with the standard conditions set out above.

Dummy and vendor bidding

It is against the law for the vendor of the property, or a person acting on behalf of the vendor, to make a bid at the auction. This type of activity is called dummy bidding and can attract a maximum penalty of \$20,000.

However, the vendor of the property is entitled to have up to three bids made on their behalf by the auctioneer, who must announce each such bid as a 'vendor bid'. The amount of a vendor bid must be less than the vendor's reserve price.

Interrupting auctions

It is against the law to knowingly prevent a rival bidder from freely bidding at an auction, or to harass a bidder.

It is also against the law to do anything with the intention of preventing, causing a major

disruption to, or causing cancellation of an auction. A maximum penalty of \$20,000 applies.

Cooling-off period

There is no cooling-off period when you buy at auction.

If you are the successful bidder at auction no further bids can be made or accepted. You must then sign a binding sale contract as soon as possible after the conclusion of the auction. You will usually be required to pay a deposit at the time. The deposit amount is usually around 10% of the purchase price, however you may seek to negotiate a lesser amount with the agent before the auction.

If the property is passed in at auction and if you made a bid at the auction then any sale contract you enter into before midnight on the same day as the auction, as a result of further negotiations with the vendor, is not subject to a cooling-off period.

Your privacy

The agent is not permitted to disclose information on the bidders register to anyone unless required to by an authorised person under the Fair Trading Act 1987.

Warning Notice to Purchaser

Agent acting on behalf of vendor and purchaser

Land and Business (Sale and Conveyancing) Act 1994 section 24F

It is generally prohibited for an agent to act on behalf of both the vendor and purchaser of the same land or business at the same time. The *Land and Business (Sale and Conveyancing) Act 1994* states that an agent will be subject to a maximum penalty of \$20,000 if they do act on behalf of both a vendor and purchaser at the same time. However, special circumstances may arise where this can happen without penalty. If the following circumstances apply to you, then the agent may act on your behalf if they firstly give you this warning notice and you acknowledge receipt of it by signing below.

The specific circumstances occur when:

- the agent negotiates the sale of land or a business on behalf of a person, the vendor, and
- the purchase of the land or business is made subject to sale of some other property or business by you, the purchaser, and
- the agent acts on behalf of you, the purchaser, in the sale of the other land or business.

In order for an agent to act on your behalf you must complete a sales agency agreement with the agent. If your proposed purchase of the vendor's land or business falls through, you may still be required to comply with certain obligations under the sales agency agreement, including the payment of fees. This will depend on the wording of the agreement. If you are unsure about your obligations under a sales agency agreement you should consult an independent legal advisor.
